The Burketts are the very proud parents of a beautiful daughter, Mason Victoria, 18 months old, and are excited to be expecting their second child in December 1994.

The Queen chose a large Golden Eagle holding the world as the center piece for her train. These represent her alma mater (USM) and this year's theme, "Searching the World for Elvis." Beautiful satin and lame magnolias adorn the train symbolizing the Queen's home state and the beautiful South. Family monograms lay across the bottom of her train, along with family symbols of the Christian fish and a baby rattle.

A Message From Captain Billy Bowlegs XXXIX

First, I want to express appreciation to the Krewe Members for their kind support to the Manley family this year. Your love, prayers, hand-holding and hugs sustained us during the tough times of the year. Rich, Lisa, Jan, Del, Mary Ann and I say "THANK YOU."

KREWE OF BOWLEGS XXXIX comes to a close tonight. We become instant "has beens;" but we have great memories and have established life long friendships.

It has been a fun year as we went "Searching the World For Elvis." What a great theme Mary Ann, Lisa, Sam, Bart and Tracy created while I enjoyed the sights of Egypt last January. The Krewe and I owe so much to these five for a great year. We have "Whoomp There It Is" through the ages from the Togas to the Sock Hop to MoTown to Karaoke; We searched the Jungle and the Zoo; the Gulfarium and the Sea; the Islands of the Sound and the Bay; and, the Stadium of the Super Bowl. We also searched Pensacola, Apalachicola, Mobile, Tallahassee, Bradenton and Crestview. We rested along the way with an elegant Holly Ball of "Christmas in Dixie;" a lovely Brunch before our invasion of the city and now we can chill out and kick off our shoes later tonight as Krewe XL takes us "Rolling On The River" at the coronation Ball.

The Blackhawk served Krewe XXXIX well as we successfully sacked Mobile, Tallahassee, Crestview and delighted the crowds during Christmas Parades. Then we celebrated our successful invasion and capture of the City of Fort Walton Beach with a best ever Torchlight Victory Parade.

Thanks to a super **EXECUTIVE BOARD** that kept a steady hand on the helm to provide stewardship of the Krewe's resources and preservation of the history of the Krewe. You have been there and have been the glue that kept us together.

Speaking of glue, being there, and a great year - **THE HONOR GUARD** has been truly wonderful. We set records for participation in Mobile, Tallahassee and Bradenton. We also did a first - The Florida Seafood Festival Parade at Apalachicola. You taught "Whoomp There It Is" dancing throughout the Southeast.

Highlights of the year for many of us were the childrens' activities - visits to the schools; the Children's Christmas and Track Parties; and, the Children's participation in the Christmas and Daytime Parades. And also the visit to Horizons. All of these activities warm your hearts, bring a smile to your lips and help you sleep peacefully at night.

BART AND TRACY HUDSON - THANK YOU seems to be too little for such great work this year as First Mate and First Mistress. You directed the year. You made sure we were where we should be, when we should be and dressed (most of the time) as we should be. You were also our lead ambassadors to the friends of the Krewe. The two of you made the year a success.

LISA BURKETT - You are truly a wonderful and beautiful queen in every way. You have danced your way through the year, our parties and out of town trips. You have charmed and enchanted each and every one as Queen of Bowlegs XXXIX. Sam, thanks for your experienced advice and a heartfelt thanks for your friendship that is always there.

But most of all Thanks to you **MARY ANN**. You put all of this together in February 1993. You worked on each and every task - and so often there were other things that demanded attention. This year - as you have done for the past 31 years - you spoiled me with your support and attention. No year or event would ever be a success for me without you.

By Royal Decree:

Dated this 12th Day of June, 1994

BOWLEGS 1994 - 1995 CAPTAIN BILLY XL

Coronation Pageant

This year represents a change in the format of the Coronation Pageant. In the past, the entertainment, colors, decorations and program cover reflected the incoming Court although, in the program, the pictures and biographies were of the outgoing court. At the suggestion of Captain Billy XL, the 1994 pageant will reflect a transition year. It will be partly the theme of current Captain Billy XXXIX, Richard L. Manley, along with transitional entertainment that ends with the naming of the new Captain Billy Bowlegs XL and his Court. The program cover will be the theme ("Searching The World - For Elvis") and colors (blue & silver) of the outgoing Court matching the program contents.

The Coronation Ball following the Pageant would reflect the theme, colors, etc. of the incoming Captain Billy Bowlegs and Court as it has been in the past.

It is anticipated that in future years, the Pageant will primarily be the theme, colors, and entertainment of the current Captain Billy. The program cover would reflect the outgoing Court shown inside. The incoming Court, as well as their colors and theme, would remain secret until revealed at the end of the Pageant. The "change" would take place after the new Captain Billy Bowlegs and his Court are named.

The reason for the format change is threefold. First, it eliminates the confusion of the program cover and its contents. Second, it allows a full twelve months to prepare the entertainment and production of the Pageant based on the new theme. Presently, by the time the new Captain Billy is picked and can decide on his theme, only three to four months remain until the Pageant. Third, with the Pageant based on the current Court's theme, it helps keep the incoming Court secret while eliminating communication difficulties during the planning stages. It is hoped, that changing the format would be acceptable to all members of the Krewe.

Colors and Theme of the new Captain Billy Bowlegs XL

Colors: Burgundy & Silver

Theme: "Pirates Of The Blackhawk - Rollin' On The River"

The idea behind the theme is that Captain Billy Bowlegs and his pirates are hiding out on the Mississippi. The river boat "Blackhawk" would be plundering from St. Louis to New Orleans. All the entertainment and festivities of the riverboat era apply, ie: gambling, dance hall girls, jazz, paddle wheels, etc.

Krewe History

The 1957 Bowlegs Festival souvenir program lists the original Krewe membership of 75 men. Today, many Bowlegs members are second generation pirates, carrying on the tradition set forth by their pirate fathers. Roger Clary, Captain Billy Bowlegs II, served as the first Captain Billy under an organized charter.

As indicated by the Constitution & Bylaws, Krewe membership is limited to 170, plus the number of former Captain Billy's. Each Captain Billy automatically becomes a member of the Society of Bowlegs, otherwise known affectionately as our SOB's.

Hours of talented volunteer time, plus sizeable sums of money are expended each year by Krewe members and their wives. Colorful floats, beautiful decorations, and numerous throws are utilized by the Krewe plus custom-made costumes are worn during the parades, pageant, and coronation ball. The masked Krewe members shower the public each year with souvenir trinkets, "gold" doubloons, and the crowd favorite - cups.

A new Captain Billy is selected each year from the Krewe membership by secret ballot. The past seven Billy's are solely responsible for the secret nominations. Once the new Billy is selected, he chooses his Queen, First Mate & Mistress, ten Honor Guard men, and the Children of the Court. The identity of the entire court are kept secret until the elaborate Coronation Pageant.

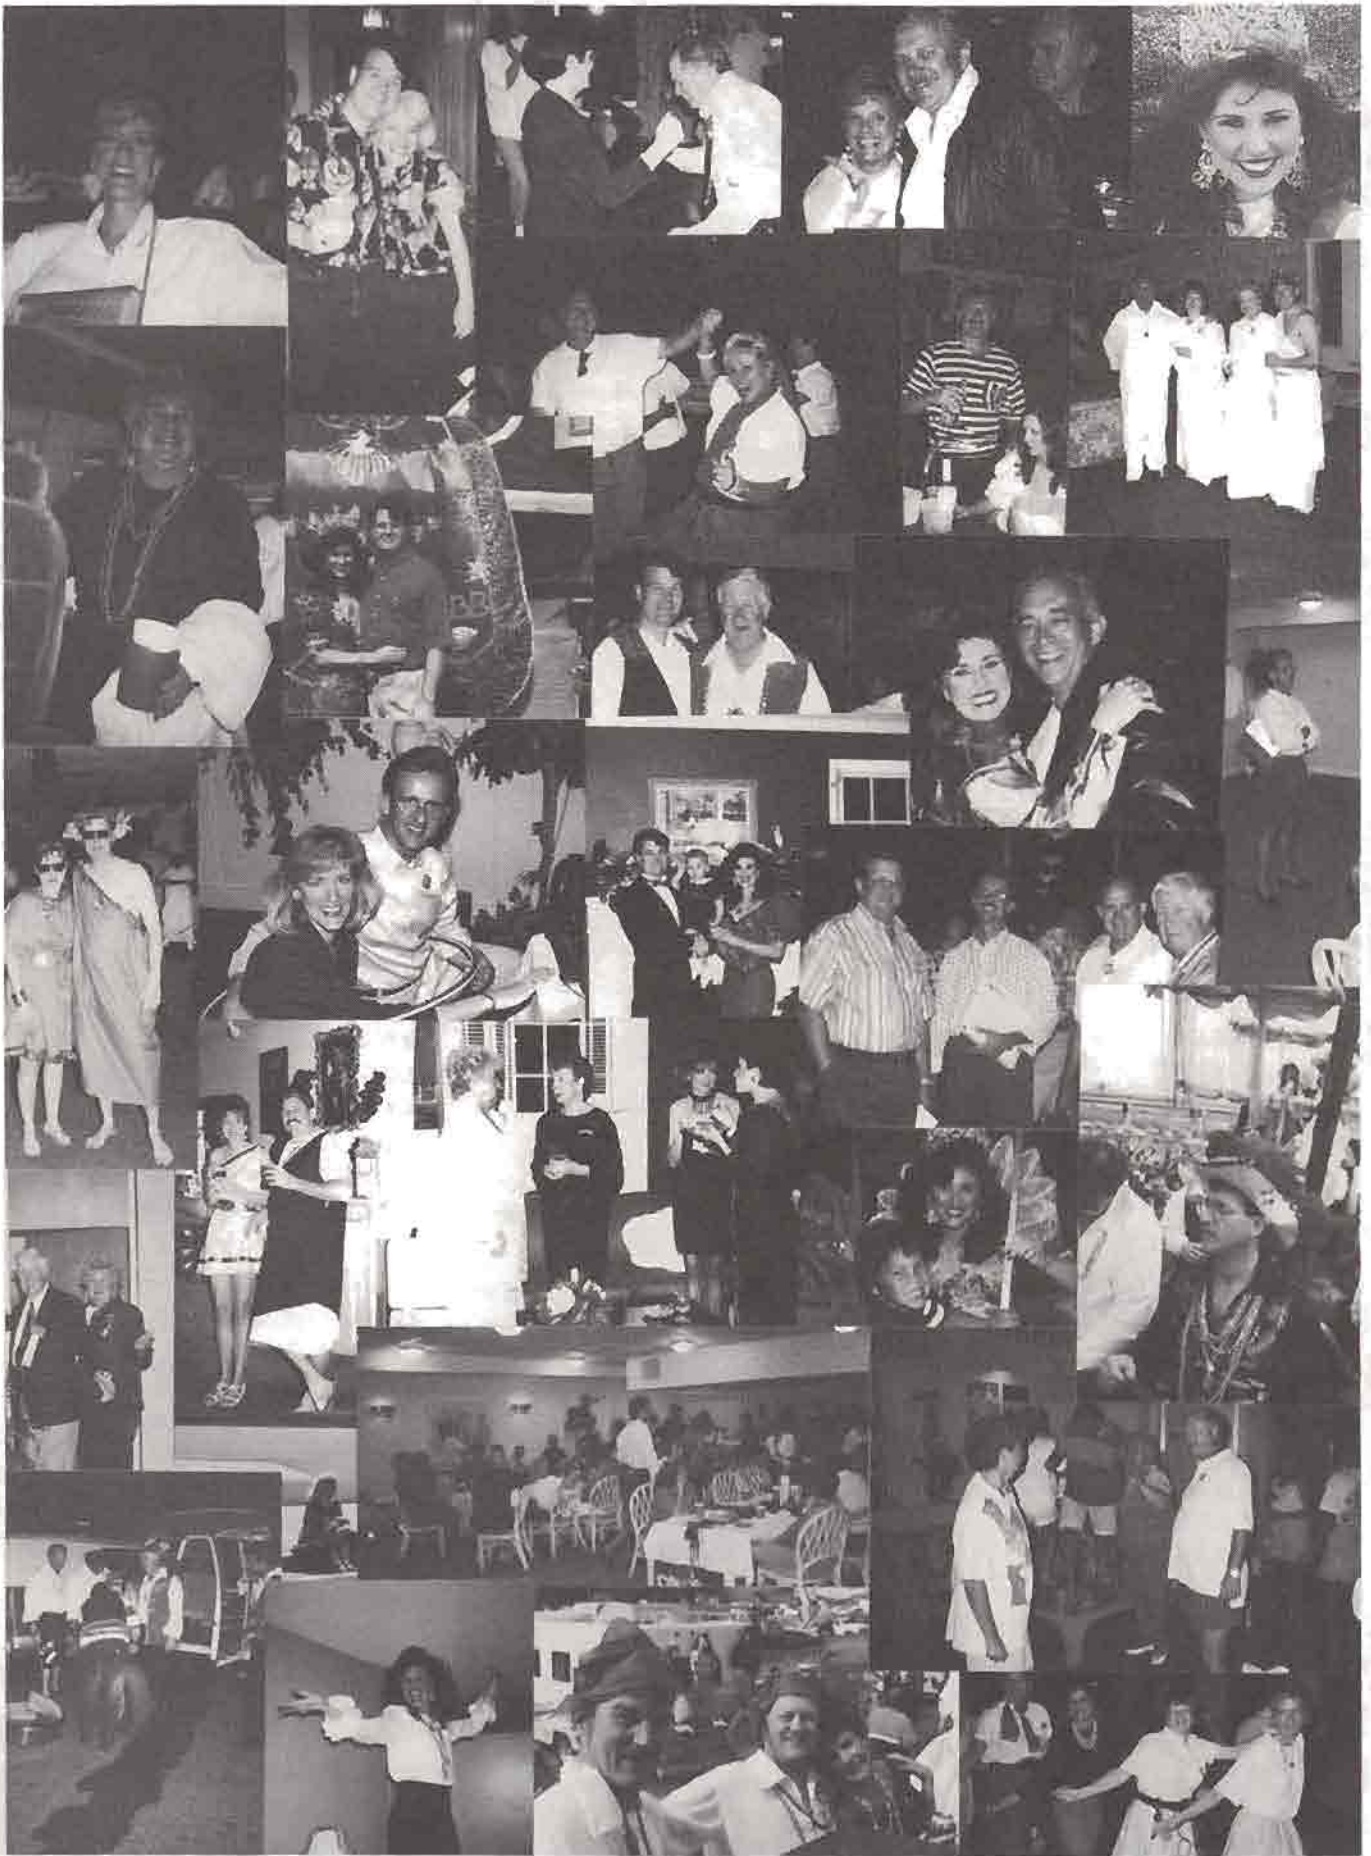

The late Docie Bass, Captain Billy Bowlegs IV, was the first to select his Queen from the Krewe membership. Previously, the Queen's were "captive wenches" and beauty contest winners. Past Queen's belong to the Society of Queens, and perform many functions for the Krewe including the annual tea for graduating senior girls (daughters and/or granddaughters of Krewe members). These young ladies serve the court as Princesses and are presented at the Coronation Pageant. Both the graduating senior girls and boys are invited to the Coronation Ball following the Pageant.

The Skirmishes take place between the City of Fort Walton Beach Militia (Walton Guard) and the Bowlegs Krewe. Armed with black powder cannons and muskets, the Militia perform a colorful and noisy defense when they engage the Krewe in battle on the Sound.

William Augustus Bowles a notorious old boy, so the legend goes, and patron pirate of the Billy Bowlegs Festival and the Krewe of Bowlegs, was born in 1763 on the Maryland frontier. At the age of 13, he joined the Loyalists Corps to fight against the American rebels. Two years later he was sent to Pensacola to join the British forces. He was commissioned an ensign in the British Navy at 16 years old. After the war, he rebelled against military life, insulted a British officer, and went into hiding with the Creek Indians (so the legend goes!). He married a tribeswoman, a chief's daughter, and in 1781 was welcomed back by the British to help battle the Spanish at Pensacola. During that time the British, Spanish, and Americans were maneuvering for control of the Gulf shores and its shipping lanes. Believing himself destined to command instead of obeying orders, Bowles gathered a force of a "couple hundred plundering Indians, relics from the American Army, and white banditti".

This rollicking piratical crew grew to be the concern of all three of the power hungry countries. Captain Billy created his own throne and the three nations considered everything from murder to a general's commission to get him on the right side. Financed by loot from a Spanish ship and surrounded by a handful of Indians, Captain Billy invaded the British society for support. He was rewarded with a flag of "English and Indian colors mixed", a silver pipe, a tomahawk, a chain of friendship, and trade supplies with which he formed the State of Muskogee. He was eventually captured by the Spanish and shipped to Madrid, Spain. While being shipped to the Philippines, he jumped ship and returned to his "state" and greater deeds of piracy. However, all "good" pirates must have an end, and Captain Billy's came after he was lured to peace talks and there betrayed by his Indian troops. The Spanish imprisoned him in Cuba in the infamous Morro Castle, and there on December 23, 1805, Captain Billy died at the age of 41.

Two centuries later the memory of William Augustus Bowles lives on in the annual Billy Bowlegs celebration. To the Emerald Coast, Captain Billy left a heritage of pirate tales, great adventure, and buried treasure.

Thanks To The Community

The community has supported the Krewe of Bowlegs for thirty-nine years now. Without our community partners, the Krewe and festival activities would not happen. The festival grows bigger and better each and every year. There are more activities; more participation by the public; more tourists and visitors; more Festival Krewes from all over the Southeast; and most of all, more fun, frolic and foolishness.

Thanks to our community partners -

The Fort Walton Beach Chamber of Commerce, the City of Fort Walton Beach, the Indian Temple Mound Museum, the Fort Walton Beach High School Auditorium, School for our visits, Okaloosa-Walton Community College; Doug Hudson, Todd Schweizer and Whiterock Associates for Blackhawk trucks; Keller Tire Service for Blackhawk services; Tim Smith for parade truck and convertibles; Art's for making possible cold beer and hot music; First National Bank and Trust for the "Board Room"; and most of all to our customers, our owners, our bosses, our children and spouses - for their understanding and support.
